Thickness	: 3 MM
Cover Area	: 3.334 M^2
Qty / Box	: 24 PCS

MG-01

Golden Pine

Golden Pine pairs warm honey tones with a fine, flowing grain. Its soft golden hue recalls sunlight on the forest floor.

MG-02

Amber Teak

Rich amber tones follow the flowing lines of teak grain.
An earthy warmth runs through the pattern from end to end.

MG-03

Cedar Brown

Warm brown tones bring depth to the cedar grain. Its flowing lines recall the quiet curves of roots beneath the forest floor.

MG-04

Javana Brown

Dark grain curves around distinct knots against a warm, golden-brown base. The pattern varies from plank to plank, giving the floor a rich, earthy character.

LIGHT WOOD Series

Pale wood tones and delicate grain give the room a light, open feel. Paired with soft linen, leafy greens, or a sunlit window, the floor leaves space for the little details that make a home your own.

Plank Size	: 152 x 914 MM
Thickness	: 3 MM
Cover Area	: 3.334 M^2
Qty / Box	: 24 PCS

MG-05

Blonde Maple

A fine, gently rippling grain runs the length of each plank. Soft shades of sand and pale gold give Blonde Maple its understated warmth.

MG-06

Country Oak

Pale grain traces long, gentle arches across a warm, sandy-brown base. Small knots give Country Oak its softly rustic character.

MG-07

Vintage Oak

Fine oak grain runs in long, gentle lines through muted shades of wheat and soft brown. Subtle shifts in tone give the floor the mellow character of timeworn oak.

MG-08

Honey Teak

A muted honey-brown tone gives Honey Teak its warmth. Fine grain forms soft arches around small knots, adding subtle detail along each plank.

Plank Size	: 152 x 914 MM
Thickness	: 3 MM
Cover Area	: 3.334 M^2
Qty / Box	: 24 PCS

CLASSIC WOOD *Series*

Deep brown tones draw the eye along the grain, revealing the curves and lines that give wood its character. The rich palette feels at home beside a well-loved wooden chair and lends depth to interiors with clean, modern lines.

MG-09

Ivory Oak

A hint of soft grey gives Ivory Oak its muted ivory tone. Fine grain runs the length of each plank, gently curving around the occasional knot.

MG-10

Savage Grey

Smoky grey carries a subtle olive undertone. Fine grain curves around scattered dark knots, giving each plank the look of weathered wood.

Plank Size	: 610 x 305 MM
Thickness	: 3 MM
Cover Area	: 3.349 M^2
Qty / Box	: 18 PCS

STONE *Series*

Inspired by the fine layers and subtle shifts of colour in natural stone, this series brings a quiet sense of balance to a room. Cool mineral tones offer a backdrop for warm timber and fresh greenery, echoing the young shoot that grows through a fissure on the collection page.

MG-81

Mist Concrete

Wisps of chalk white drift across a warm grey base. The softly mottled pattern recalls the mineral texture of weathered concrete.

MG-82

Cloud Concrete

Smoky grey deepens into charcoal in soft, cloud-like patches. Up close, fine pale flecks bring out the mineral character of the concrete pattern.
